

## Mick Samples Selected Publications and Presentations

“PRB Coal Use: Opportunities & Challenges for U. S. Utilities.” Western Coal Council, Birmingham, AL, April 2001.

Thomas W. Moore and Mick Samples. “Coal Commerce: Determination of Quality and Quantity.” National Coal Weighing and Sampling Association Annual Technical Meeting, St. Louis, MO, August 1997.

“The Clean Air Act—A Laboratory Update.” Proceedings of the 12th International Coal Testing Conference, Lexington, KY, June 1997.

“Coal Quality Information Assessment.” Indiana Coal Mining Institute Annual Meeting, Evansville, IN, May 1997.

“The Selection Process.” Striving for Excellence Workshop, Ebensburg, PA, January 1997.

“Mechanical Sampling—Theory and Practice.” Striving for Excellence Workshop, Gillette, WY, January, 1996.

Judith Snider and Mick Samples. “Methods for the Determination of the Title III Metallic HAPS in Coal.” Proceedings of the 11th International Coal Testing Conference, Lexington, KY, October 1995.

“On-Line Analyzers-Summary and Overview.” ASTM D-5 Spring Meeting Minutes, Lexington, KY, May 1995.

“Quality Assurance for the Testing Laboratory and the Total Management Process.” Powder River Coal Co. and Affiliates Seminar, Gillette, WY, March, 1995.

“Motivating Others.” Striving for Excellence Workshop, Charleston, WV, February 1995.

Jan DeMar, Mick Samples and Jan Yarbrough. “The SL Loss Control Program.” Striving for Excellence Workshop, Charleston, WV, February 1995.

Stephanie Prichard and Mick Samples. "Interlab On-Line as an SPC Tool." EFC Quality Workshop, St. Petersburg, FL, November 1993.

"Quick Analyses and Statistical Process Control Techniques." Proceedings of the 10th International Coal Testing Conference, Lexington, KY, June 1993.

"Statistical Process Control." ASTM D-5 Spring Meeting Minutes, Vancouver, B.C., April 1993.

"ISO 9000 'Where Quality is (a) Standard.'" Interlab On-Line Together. Gillette, WY, January 1993.

"Benchmarking for Laboratories." Interlab On-Line Together. Cincinnati, OH, September 1992.

"Modern Coal Quality Management: A Survey of Techniques." Coal. June 1992.

"The Laboratory's Role in Coal Quality Management." Proceedings of the 9th International Coal Testing Conference, Lexington, KY, March 1992.

"Laboratory Error-Its Measurement and Assessment." Interlab On-Line Together. Gillette, WY, January 1992.

"Washability Testing." The Journal of Coal Quality. Vol. 3, #3, July, August, September 1984.
